Cataloging Policy Committee (CAPC)

Qualifications for serving on the Cataloging Policy Committee (CAPC)

The purpose of serving as a full member of CAPC is to represent the concerns of AV catalogers in matters relating to the formation, interpretation and implementation of national and international cataloging standards, rules and related matters. A full voting member of CAPC serves a two year term.

**Requirements:** At least three years of current full-time experience cataloging AV materials, or the equivalent; membership in OLAC; regular interaction with online cataloging systems, or demonstrable knowledge of such systems. Most CAPC business is conducted during ALA Midwinter meetings and Annual Conferences. Candidates for appointment to CAPC must be willing to commit time and funds as necessary to attend one of these meetings during each year of the term.

**Selection and Appointment:** Appointments are made by the President of OLAC, following consultation and review of applications by the current Executive Board. New members will be appointed at the January Executive Board meeting and notified soon after by the President of OLAC. Newly appointed members will receive all CAPC correspondence from that point forward. New CAPC members, while not full voting members until their term takes effect following the ALA Annual Conference, should attend the ALA Annual CAPC meeting and volunteer for, or be willing to be assigned to, projects.

There are seven members on the committee. Members serve two-year terms with possibility of reappointment to a second two-year term. The term of the Chair is for one year with reappointment upon satisfactory performance.

Each January the CAPC Chair shall appoint an editor for the bibliography of AV authority tools.

The MAC Liaison, OLAC Representative to CC:DA, and NACO-AV Funnel Coordinator are non-voting ex officio members of CAPC.

**Duties:** CAPC members report directly to the Chair of CAPC and can be assigned special duties or projects by the Chair.

**Conditions:** A CAPC voting member serves a two-year term at the discretion of the Executive Board. The term duration can be determined by the Executive Board in consultation with the appointee.
Qualifications for CAPC Internships

The purpose of the CAPC intern is to broaden opportunities for participation in CAPC, and to allow an interested AV cataloging librarian an opportunity to gain insight into the workings of a national cataloging committee. An intern serves a one-year term as a non-voting member of CAPC.

Requirements: At least three years of current full-time experience cataloging AV materials, or the equivalent; membership in OLAC; regular interaction with online cataloging systems, or demonstrable knowledge of such systems. Most CAPC business is conducted during ALA Midwinter meetings and Annual Conferences. Candidates for appointment to CAPC must be willing to commit time and funds as necessary to attend one of these meetings during each year of the term.

Selection and Appointment: Appointments are made by the President of OLAC, following consultation and review of applications by the current Executive Board. New members will be appointed at the January Executive Board meeting and notified soon after by the President of OLAC. Newly appointed interns will receive all CAPC mailings from that point forward. The terms for new CAPC interns take effect following the ALA Annual Conference. Interns should attend the ALA CAPC meetings and volunteer for, or be willing to be assigned to, projects.

Duties: CAPC interns report directly to the Chair of CAPC and can be assigned special duties or projects by the Chair. An intern can, for example, be assigned to research the history and implication of a specific rule or serve as a special assistant to the Chair of CAPC.

Conditions: An intern serves a one-year term. An intern is neither guaranteed appointment to CAPC as a full voting member nor reappointment as an intern. A maximum of two (2) interns may be appointed annually; an intern may serve no more than two consecutive terms (of 2 years) as an intern. An intern may choose upon the Executive Board’s and this person’s discretion to also sit on one other committee.
LC and Bibliographic Utility Representatives

OLAC has representatives from the Library of Congress and OCLC. These representatives attend the OLAC membership meeting to report on their organizations' activities, to learn of the audiovisual cataloging concerns of OLAC members and to provide advice and assistance suitable to the organization's needs.
Liaisons to Other Organizations

OLAC liaisons are established to maintain contact and communication with other groups that have cataloging of nonprint materials as part of their interest. Liaison relationships should benefit both parties through increased understanding and cooperation and a desire to take concerted action if necessary on issues of mutual concern.

OLAC may initiate liaison relationships with other organizations that have cataloging interests in specific types of audiovisual materials. The level of involvement, which may be one-way or two-way, will depend on OLAC's perceived need to be informed about the activities of another group. A one-way relationship (e.g., MAC) will keep OLAC informed about the other group's policy decisions relating to audiovisual cataloging, but there will be no expectation of its sending a liaison to us or of our reporting to it. A two-way relationship will be established if OLAC and another group mutually wish to be informed about each other's activities.

OLAC has liaisons to the following groups:

AMIA
MAC
Music OCLC Users Group (MOUG)

Liaisons serve two-year terms that expire at the end of the ALA Annual conferences in odd-numbered years, e.g., 2013, 2015. Terms may be renewed. Liaison relationships should be reviewed every five years by the Executive Board to insure the affiliation continues to be valuable and viable. If a relationship does not prove to be beneficial to OLAC, the affiliation will be dissolved.

Liaisons are appointed by the OLAC President in consultation with the Executive Board. Each potentially new liaison relationship will be considered on a case-by-case basis by the Executive Board. In the case of two-way liaisons (e.g., MOUG (the Music OCLC Users Group)), the person appointed by OLAC should be a member of both OLAC and the other organizational unit and be mutually acceptable to both groups.

Liaisons report to the OLAC membership on the activities of their respective groups via brief presentations at the OLAC membership meetings and reports in the OLAC Newsletter. Presentations are made at those membership meetings that are held during the ALA Midwinter meetings and Annual Conference.

For liaisons whose groups meet at ALA, presentations should consist of a summary of discussions or decisions relevant to OLAC areas of interest from group meetings that have already taken place at the conference. If meetings of the group have not yet been held, the liaison presents a summary of topics on future meeting agendas that may be of interest to the OLAC membership.
For liaisons whose groups do not meet at ALA, liaison reports will summarize either past discussions and decisions, or future meeting plans, as appropriate.

Reports are submitted to the *OLAC Newsletter* Conference Reports Editor summarizing matters relevant to OLAC areas of interest. Deadlines are established by the Conference Reports Editor in consultation with the Editor-in-Chief.

The Music OCLC Users Group liaison has the following charge:

The MOUG liaison is a member of both OLAC and MOUG and serves as a liaison between the two organizations. MOUG usually meets just before Music Library Association meetings. The OLAC liaison to MOUG reports on MOUG activities as discovered at MOUG meetings and through the MOUG newsletter. Reports are made at the OLAC membership meeting. The liaison is encouraged to submit announcements and reports of MOUG cataloging activities of interest to nonprint catalogers to the *OLAC Newsletter*.

OLAC maintains an exchange of information with the Map Online Users Group but does not have an official liaison to them.

OLAC has newsletter exchanges with AMIA and MOUG. The OLAC Editor receives newsletters from these organizations in exchange for the *OLAC Newsletter*.

For many years, OLAC monitored CC:DA (Committee on Cataloging: Description and Access) activities by appointing an audience observer to attend and report on their proposals and decisions. In spring of 2004, CC:DA granted OLAC a Representative position.
OLAC’S Relationship to OCLC

In 1986, OLAC was designated as OCLC’s AV Users Group. OLAC was also designated as OCLC’s Electronic Resources Users Group. OLAC is currently listed among the Affinity Groups (http://www.oclc.org/en/membership/groups.html) in “close association with OCLC.”

In order to stay apprised of the activities of OCLC and the OCLC Global Council (GC - https://www.oclc.org/en/membership/councils.html), the OLAC Board will review the membership of the GC annually to identify OLAC members that are also serving on GC. If there are no OLAC members serving on GC, then the membership of GC will be reviewed to identify other catalogers or technical services managers who may be serving on GC. These people will be asked if they would serve as an unofficial liaison between OLAC and OCLC GC.

The OCLC Global Council liaison reports to the OLAC membership via brief presentations at the OLAC membership meetings held semi-annually during ALA Conferences and submits written reports for the OLAC Newsletter.
Vacancy Before an Appointed Term is Completed

Should a vacancy occur in an appointed office, either because of election or appointment to a different position, or due to a resignation, a new appointment will be made as soon as possible. A short time lag between a resignation and a new appointment is understood and acceptable.

A temporary appointment may be made to fill a vacancy should it occur shortly before an ALA Conference.

Vacancies which occur in an elected office before a term is completed are covered in Article VI of the Bylaws.
Service in More Than One Capacity

Any OLAC member who is currently serving in an official position is eligible for nomination to another official position, should he or she wish to seek a different status. Official position is defined as: membership on the Executive Board or the Cataloging Policy Committee; or, a position as an OLAC-appointed observer or liaison.

The incumbent will continue to fulfill the duties of the initial office or appointment, and upon election or acceptance of a new appointment, will begin his/her duties following the ALA Annual Conference.

Service is limited to one official position at a time. However, a person may be asked to temporarily continue the duties of his/her previous appointment until a new appointment can be made.

OLAC Executive Board members, CAPC members, and official observers and liaisons may serve as members of ad-hoc or function specific committees. However, since such committees are a useful way of getting OLAC members involved in OLAC governance, OLAC members who do not already hold an official position should be given preference for service on these committees.

Newsletter staff, other than the Editor-in-Chief, are exempt from this policy.
Nancy B. Olson Award

The annual Nancy B. Olson Award (called the OLAC Award prior to 1999) honors a librarian who has made significant contributions to the advancement and understanding of audiovisual cataloging. The Awards Committee selects a recipient based on nominations received, subject to approval by the Executive Board at the Midwinter meeting.

Eligibility for nomination:

1. Nominees may be OLAC members, but membership in the organization is not a requirement.

2. The nomination must be accompanied by a statement that provides supporting evidence for the nominee's qualifications.

3. The nominations and statement(s) must be postmarked no later than November 15 and must be received by the Awards Committee Chair no later than December 1.

4. Nominees shall have made contributions to audiovisual cataloging by:
   a. Furthering the goals of standardization of AV and/or electronic resource cataloging, including MARC coding and tagging;
   b. Interpreting AV and/or electronic resource cataloging rules and developing policies on organization for these materials on the national and/or international levels;
   c. Promoting the understanding of AV and/or electronic resource cataloging, coding and data exchange by professionals unfamiliar with these materials and processes.

The award recipient receives an engraved plaque containing an inscription recognizing her or his special contributions to the field.

The Nancy B. Olson Award shall be administered by an Awards Committee, consisting of three OLAC members, no more than two of whom may be members of the OLAC Executive Board. The Past OLAC President shall chair the Awards Committee. The OLAC President shall sign the letter of presentation and present the award to the recipient at the OLAC annual membership meeting.

The Awards Committee shall consider all nominations and recommend a recipient to the Executive Board at its first meeting during the Midwinter meeting. The Board shall have the authority to confirm the recommendation or return it to the Awards Committee and direct them to make another selection. Should the Board choose the latter course,
reasons for doing so shall be given. If, in any given year, no nominee shall be considered sufficiently worthy by the committee to be recommended, or, should all recommendations of the committee be returned by the Board, no award shall be made for that year.

OLAC Conference Hosting Requirements and Planning Guidelines

For complete details, please consult the OLAC Conference Manual.

Procedures and Requirements for Hosting an OLAC Conference

Invitation to Host
An invitation to host an OLAC Conference must be submitted to the OLAC President at least one week before the ALA Midwinter meeting that follows the previous OLAC Conference. It must come with the names of at least two OLAC members that agree to chair and/or serve on the Local Arrangement and Program Committees with one of those two people in or near the city where the Conference will take place. It is preferable for both of these people to have attended an OLAC Conference in the past.

The city being suggested for the site must have a meeting place that can adequately house the Conference. Things to keep in mind when looking into adequate meeting space are: 1) the Conference draws between 175 and 250 people, 2) some of the workshops might have as many as 100 people in them, 3) the Conference happens in the Fall (usually late September/early October) so other events could compete for hotel rooms, 4) workshops often need classroom style set ups. (Note: Most cities have a Conference planning bureau of some kind that can help you determine whether there are possible places without having to contact hotels individually).

There must be relatively easy and convenient air travel to the city from all parts of the U.S., including shuttle service from the airport to the hotel.

Conference Planning Committee
A conference program planning committee will be formed for each Conference and will be appointed by the Executive Board. It will consist of at least 2 OLAC members. The Executive Board will appoint the Conference Program Coordinator.

OLAC Conference Programs
OLAC Conference programs, for which registration is charged, can be in conjunction with library related organizations. The following organizations might be considered:

- Organizations having official liaisons/representative relationships to OLAC:
  - Library of Congress
  - American Library Association
- Organizations with similar interests or with a plurality of the OLAC membership:
  - Music OCLC Users Group (MOUG)
  - Health Sciences OLAC Users Group
Medical Library Association
Online School Libraries Users Group
American Society for Information Science
Association of College & Research Libraries
Art Libraries Society of North America
Association for Education, Communications and Technology
Theatre Library Association
American Association of School Librarians
ACRL Cinema Librarians

- Other organizations
  - State and regional association meetings
  - Canadian provincial meetings
  - Canadian Library Association

Factors to be considered include the ability of the co-sponsoring organization to help supply the following:

- Ability to draw a group of librarians (30+) interested in online cataloging of AV materials from a general pool of 500-1000 members including OLAC membership and the membership of the other group
- Willingness to split Conference costs and collect registration fees with OLAC on an equitable basis
- Ability to provide the following at nominal costs: meeting rooms, coffee break supplies, conference folders, equipment
- Proximity of hotels to the building(s) where the conference is held
- A city which is easily accessible and within which it is possible to “get around” without too much trouble

**Duties and Responsibilities of the OLAC Executive Board**

The OLAC Executive Board will:

- Choose co-sponsoring organization(s)
- Set conference registration fees and limits for conference expenses including for instance:
  - Set registration fees to remain within a reasonable range based on anticipated attendance and expenses with the goal of breaking even
  - Personal member fees should be less than non-member fees
  - Late registrants will be charged a late registration fee
  - A registration deadline will be set for four to six weeks prior to the conference
  - Registration fees will not be refundable after the two week deadline has passed (and note this on the registration form)
- Ensure that all monies in connection with the OLAC portion of the conference are handled by the OLAC Treasurer
• Decide what reimbursements might be made for keynote speakers (those making a major presentation):
  o A portion of the speaker’s expenses plus honorarium
  o Total expenses (transportation, hotel, meals) plus honorarium
• Reimburse workshop leaders (honorarium) for each workshop topic prepared and presented, reimburse workshop leaders for transportation

Registration fees shall be waived only for Conference Local Arrangements Committee members attending

**Duties and Responsibilities of the OLAC Vice President/President-Elect or President**

The OLAC Vice President/President-elect or President will:

• Facilitate program planning
• Keep the Executive Board informed in writing and by phone. Send copies of the monthly reports from the Program Chair to all Board members, along with copies of correspondence of interest to the Board
• Preside at the regular membership meeting to be held at each conference
• Give the opening remarks at the general sessions of each conference by welcoming the audience and introducing the Conference Program Chair
• Write, or provide for the writing of, all thank you letters to program speakers, workshop leaders, those who worked on the conference and to the Chair of the co-sponsoring organization(s) on behalf of the OLAC Executive Board

When conferences are held in conjunction with ALA conferences, the President should handle all meeting/time/place/equipment arrangements with the ALA Conference Arrangements Office. Experience has shown that interaction with ALA is best left to one person, the OLAC President

**Duties and Responsibilities of the OLAC Conference Program Chair and OLAC Conference Program Planning Committee**

The OLAC Conference Program Chair and Conference Program Planning Committee members will:

• Choose a target date
• Choose a topic(s) of focus

- Submit to the Executive Board, two weeks before the ALA Midwinter meeting, a budget of estimated costs and expected attendance
- Secure speakers by sending formal letters of invitation and confirmation with place of meeting and time, requests for AV equipment, requests for biographical information, title of talk or abstract, information on how much OLAC is able to give the speaker for reimbursement as determined by the Board, speakers’ honorarium as determined by the Executive Board, Information on local transportation
- Arrange for publicity
  o Where/when/names of speakers, name(s) of co-sponsoring organization(s), exact conference/workshop schedule if known, registration fees for the various categories, rates at door, etc.
  o Notices in OLAC Newsletter, OLAC Website, OLAC-List and that of co-sponsoring organization(s)
  o Notices to ALA, OCLC, RLG, and other organizations
  o Design flyers as necessary
  o Prepare routine reports for the OLAC President submitted monthly to keep the Executive Board informed
  o Copies of all correspondence from the Conference Program Chair to speakers, etc. should be sent to the OLAC President and to the co-sponsoring organization(s)’s Chair when the co-sponsor is affected
- Establish a planning timetable starting no later than 18 months prior to the target date
- Conference Program Chair should introduce speakers at the Conference or designate someone to do this
- Arrange for volunteers to write reports on each conference session

OLAC Website Steering Committee

The OLAC Website Steering Committee is hereby charged to be responsible for assisting the Web Developer with the work of keeping the content of the OLAC website up-to-date, well-organized, and easy to navigate. The Committee's tasks include, but is not necessarily limited to the following:

1. Review the content of the website, looking for pages or items that need to be updated, eliminated, or added to.
2. Evaluate the labels/titles to specific pages or content items and make suggestions for clearer/more meaningful labels/titles to the users of the website.
3. Evaluate, with the assistance of the Web Developer, the navigational structure of the website as it pertains to where items are located. Make decisions about what needs/must be on the OLAC website homepage versus what can be reached at a second, third, or lower level.
4. In association with the Web Developer, who has the best knowledge of the capabilities of the website software, review the layout/format of the website and see if this can be improved.
5. Work with the Web Developer on questions relating to the website platform on a regular basis. Does the platform meet the overall needs of holding information, protecting information where needed, searching against the content of the website efficiently and effectively, and similar aspects?
6. Receive queries on any and all matters related to the website from the Web Developer and assist in resolving issues and/or solving problems.

The OLAC Website Steering Committee shall be made up of at least five members. Members shall be the Web Developer (chair), Past President, the Outreach-Advocacy Coordinator, the chair of the Subcommittee for the Maintenance of CAPC resources, and other members. It is preferred that volunteers have some experience, and possibly expertise, with website design, construction, programming, maintenance or any combination of these. Ideally, in any given year 3 Committee members will be on a two-year membership and 1 member serving on a 1-year membership along with the 1-year membership of the Past President.
